PeakTech® 1080 PROD-ID: P 1080

[BACK](#)

Digital Pen-Type Multimeter ~ 2.000 Counts ~ 600V AC/DC ~ with NCV

This Pen Type Multimeter is a new development according to the latest safety requirements. It provides an easy to read LCD and the rotary switch for function selection enables convenient one-handed operation and fast results.

Another new feature is the non-contact voltage detector for locating voltage-carrying conductors.

With the integrated overload protection and low battery indication, this meter is ideal for user in the fields of workshop, education, hobby and home applications.

- 3 1/2 digit, 11 mm LCD-display (max. 1999)
- Non-contact voltage detector (NCV)
- MAX- and DATA-HOLD
- Automatic or manual range selection
- Diode-test, Logic-test and continuity test
- auto power off
- safety: EN 61010-1, CAT III 600V
- accessories: test leads, carrying case, battery and manual
